● COUNCIL BUSINESS IN RECORD TIME! ● JULY 7, SPECIAL ELECTION ● QUORUM OF THREE

Council Meeting, Tuesday, April 20
Quorum of Three Before Council started on their agenda, the following letter from the Government of Alberta was read to them.

Dear Sirs:
Attached please find a certified copy of Ministerial Order No. 14/65 regarding the appointment of Mr. Edgar as a member of the council of the Town of St. Albert effective April 14th, 1965. This Order also authorizes the three re-

maining councillors to be deemed to be a quorum of the council until elections are held to fill the vacancies on the council.

It will now be in order for the three remaining councillors to make arrangements for filling the vacancies on the council and on the school board in addition to administering the affairs of the town until the elections are held.

Yours very truly,
(signed) B. Ramsay,
Chief Municipal Insp.

Councillor Stewart moved that a letter of thanks be sent to the Minister of Municipal Affairs for helping council out in these special circumstances. Special Election Council decided to have the special election on July 7 as laid down in the following four separate motions:

1. That JULY 7th, 1965, between the hours of Ten O'Clock in the forenoon and Eight O'Clock in the Afternoon, is hereby fixed as the day and the hour for taking the votes of the Electorate to fill the vacancies of Mayor and Council-

continued on page 2

lors of the Town of St. Albert and School Trustees.

2. That G. P. MOORE be appointed Returning Officer for the forthcoming Election and that Deputy Returning Officers be appointed to have charge of the Polling Places as shown on the Plan of Electoral Divisions approved and adopted by Council on March 9th, 1965, a copy of which is attached hereto.

3. That Nominations of Candidates for Mayor and Councillors shall be received by the Returning Officer on June 16th, 1965, between the hours of 11:00 a.m. and 12:00 Noon, in the Office of the Mayor in the Town Hall, St. Albert.

4. That July 2nd and 3rd, 1965, between the hours of 1:00 p.m. and 5:00 p.m., in the Council Chambers of the Town Hall, St. Albert, be fixed as the days and the hours for the taking of the Advance Poll. The following Money By-laws will also be brought to the electors at this election: Bylaw 39/64 Fire Equipment, Bylaw 40/64 Compactor Type Refuse Collection Unit, bylaw 44/64 Completion of Parks, Bylaw 50/64 Remuneration to the Mayor. Dr. Stewart moved that a Monday Bylaw for a swimming pool also be prepared for this election.

YMCA Receives Recreation Grant Council decided to give the YMCA a Recreation Grant in the amount of \$870. for the purpose of buying equipment.

New Greenhouse Council decided in principle to build a new greenhouse on Lakeview Drive.

Scarboro Place Petition Eight homeowners from Scarboro Place petitioned the town to have their street paved as soon as possible. Councillor Fowler stated that those homeowners who have prepaid their local improvements have the right to live on a paved street. The question

was referred to the Financial Committee who will decide in the very near future.

Petition Against Dairy Drive In Bar

Eleven property owners in the area of Edmonton Road and Highway #2 petitioned against the establishment of a Drive In Dairy Bar on the Northeast corner. Their main objection was that they were not informed about this development before Council made their decision. This matter will go to the Technical Advisory Committee next Tuesday, April 27, at which time the petitioners will be invited to attend the meeting.

Easter Monday Council decided that Easter Monday will no longer be a holiday for civic employees.

University Citizens Committee Appointed Council appointed a University Citizens Committee consisting of Prof. Bakker, Dr. Stewart, Mayor DeBruin and William Veness, former mayor. This committee will prepare a brief to be presented to the Board of Governors of the University of Alberta, and also to the Provincial Government.

Centennial Project The Centennial Committee suggested to Council that St. Albert build a library, museum and auxiliary space complex in the civic centre as the town's Centennial project. Council agreed in principle. Councillor Fowler thanked the Committee for the work they had done.

Unveiling of Sir Winston Churchill Ave. Street Markers

Council received an official letter from the British Government stating that the British Trade Commissioner for Alberta will officially unveil the Sir Winston Churchill Avenue street marker on Thursday, May 27. Council adjourned at 9 p.m., a new record, only one and one half hours. We know the councillors enjoy these speedy meetings as they are able to get home before midnight. They are not the only ones - so do we reporters! Let's have more nights like this!

Who is running for Mayor and Councillor?

After Council decided to have the Special Election on July 7th, we contacted several likely candidates regarding their intentions to run.

Mayor John DeBruin - will definitely not run for Mayor, likely will for Council.

Councillor Stewart - will definitely not run for mayor or councillor.

Councillor Fowler - will probably run for mayor.

Former Councillor Dick Kehring - will not run for councillor as he is leaving town for further study.

Former Councillor Bakker - definitely will run for council.

Former Councillor McGee - undecided, as his expanding business will make it difficult for him to do a councillor's job properly.

Former Mayor Bill Veness - has no intention of running for mayor at the present time.
Former Town Manager Gordon Parker - no intention at the present.

MAIL DELIVERY

Elsewhere in this issue you will find a warning from the Edmonton Post Office, that if a sufficient number of our residents have not installed mail boxes, mail delivery may be postponed. We have all had sufficient time to purchase our boxes. If you haven't got yours yet, please do it now! Our residents have waited for mail delivery for years. It would be a shame to have it delayed because we neglected our part - the mailbox!

RECREATION CENTRE A REALITY

The St. Albert Knights of Columbus have set up a Recreational Centre for our town which they hope can be realized in the foreseeable future, with the help of all of us. The plan (the sketch is already drawn up by an architect) includes a community recreation hall, track, swimming pool and an arena. The total cost will be about \$750,000. The Knights are to be congratulated for their progressive thoughts and actions, which is the only way to reach the goal. They realize that their project must be accepted and supported by all the citizens of the Town of St. Albert. Success can't be expected if you and I don't put our shoulders behind it. To clear any misunderstandings, the Knights are just

RECREATION CENTRE
continued from page 2

the promoters of this recreational centre project, it is by no means a private setup. Co-operation with the town council is as close as possible as privately owned recreational centres are not eligible for the various recreation grants from provincial and federal governments. And without these grants, a financial debacle could certainly be expected. The town would own the recreation centre and would be the only ones to decide how to run it. We believe that the management and setup should be completely in the hands of our Recreation Board, with the Recreation Director and the Parks Superintendent as foremen. A special recreation centre board should be set up by the town, consisting of Recreation Board, Recreation Director, Parks Superintendent and representation of all organizations and school boards in town, so that this project is backed by the town as a whole. It would also be wise to contact the Sturgeon Municipal District to find out if they are interested in sharing in the costs and management of this project. Many young and old people from the Sturgeon Municipal District could benefit from this centre just as they do now in the various recreational clubs in St. Albert and district.

The main problem besides money, will be the location. We have always advocated that we should not think too big, too high, too far, for a recreation centre. The main thing should be to get a centre as soon as possible, thinking realistically about land and money. As for land, we have an ideal piece, in Mission Park, just north of the St. Albert High School and Mission Park School. It is a wonderful place to build a track with football, baseball, soccer facilities and also a swimming pool with an arena. (Swimming pool could be built under the arena). The land has a natural theatre for the spectators. The fields can be entered from three sides if necessary. There is enough parking space around the area, and it is a beautiful natural setting. During the winter there is the hill for skiing and sleighing. All in all, the perfect place for our Recreational Centre. Granted, the land is not 100 acres, but better a smaller recreation centre now than nothing but dreams for 20 years!

Mission Park School

Besides, we already have a recreation building in this area! Mission Park School, owned by Sturgeon Municipal District, will be empty as soon as the District has built their new school. This School could be a first class recreation centre. It has 14 big rooms (each club could have its own), a gymnasium with a stage for recreational entertainment, lots of storage space, an exercise room, washroom facilities, etc.

If we decided to choose this area as our recreational centre, with Mission Park School as the recreation building, we would have one of the best recreation centres in Alberta at a tremendous cut in cost. A new recreation building, with private facilities for all our clubs, would cost a lot of money. The coming election will probably see the Swimming Pool Money Bylaw before you to vote on, and if approved, it could be the second main building in the Mission Park recreation area in the near future. The Parks Money Bylaw (better to say sports and playground bylaw) will also be up for approval in July 7th. This includes a Track which could be the third main facility in this recreation centre to be ready in 1965. The arena, the last main project, could be voted on as a bylaw in the October election, and if accepted, our recreation centre could be completely ready in the spring of 1966. It all depends on us now. If we vote down the Swimming Pool and Sports Field Money Bylaws in this

MAY BE
POSTPONED!

Postal Officials in Edmonton have expressed concern due to insufficient number of mail boxes installed by the residents of St. Albert.

Letter Carrier service, scheduled to commence Monday, 26th April, may have to be deferred until the required number of receptacles is provided. Delivery services cannot be established until at least 80% of the homes and business places have installed proper facilities. A recent check indicated that only 50% have complied with the requirement. A final check will be made immediately after the Easter weekend to ascertain if it will be possible to commence delivery on the date originally scheduled.

St. Albert Residents to Enjoy Lower Rate
on First Class Mail

Mr. R. W. Collum, Postmaster, Edmonton, announced that concurrent with the establishment of Letter Carrier delivery in St. Albert, the rate of postage on FIRST CLASS mail passing between Edmonton and St. Albert will be reduced to 4¢ for the first ounce.

FOR YOUR CONVENIENCE !

for the convenience of our Grandin Park readers. For the Mission Park, Braeside and Downtown readers, a red Gazette Box has been placed in Perron's Store. A third red Gazette Box is at 45 Sunset Blvd. for the Sturgeon Heights readers. These boxes can be used for:

- (a) Letter to the Editor (signed only)
- (b) Club or organization news (signed)
- (c) Church and school news (signed)
- (d) Hunter Want Ads, prepaid with the correct charge in an envelope. Unpaid ads will not be printed.

A red Gazette Box has been placed in Safeway Store, Grandin Shoppers Park.

Only pre-paid Hunter Want Ads will be accepted. The minimum charge will be 70¢ for 10 words. Each additional word will be 6¢. The phone number is counted as one word (e.g. phone 599-0000).

RECREATION CENTRE

continued from page 4

coming election, a recreation centre will continue to be just a dream of the future for St. Albert. All of us should realize that a recreation centre such as promoted by the St. Albert Knights of Columbus, is a necessity for our community, for our children, and for our future. Let's show that for once we can get behind this project in word and deed. Vote for the Swimming Pool and Parks (sports) Money Bylaws, to ensure that our recreational centre is a reality in 1965. We would also like to repeat, let's find a way to do this job in close co-operation with our good neighbor, Sturgeon Municipal District.

THEATRICAL MONSTER?

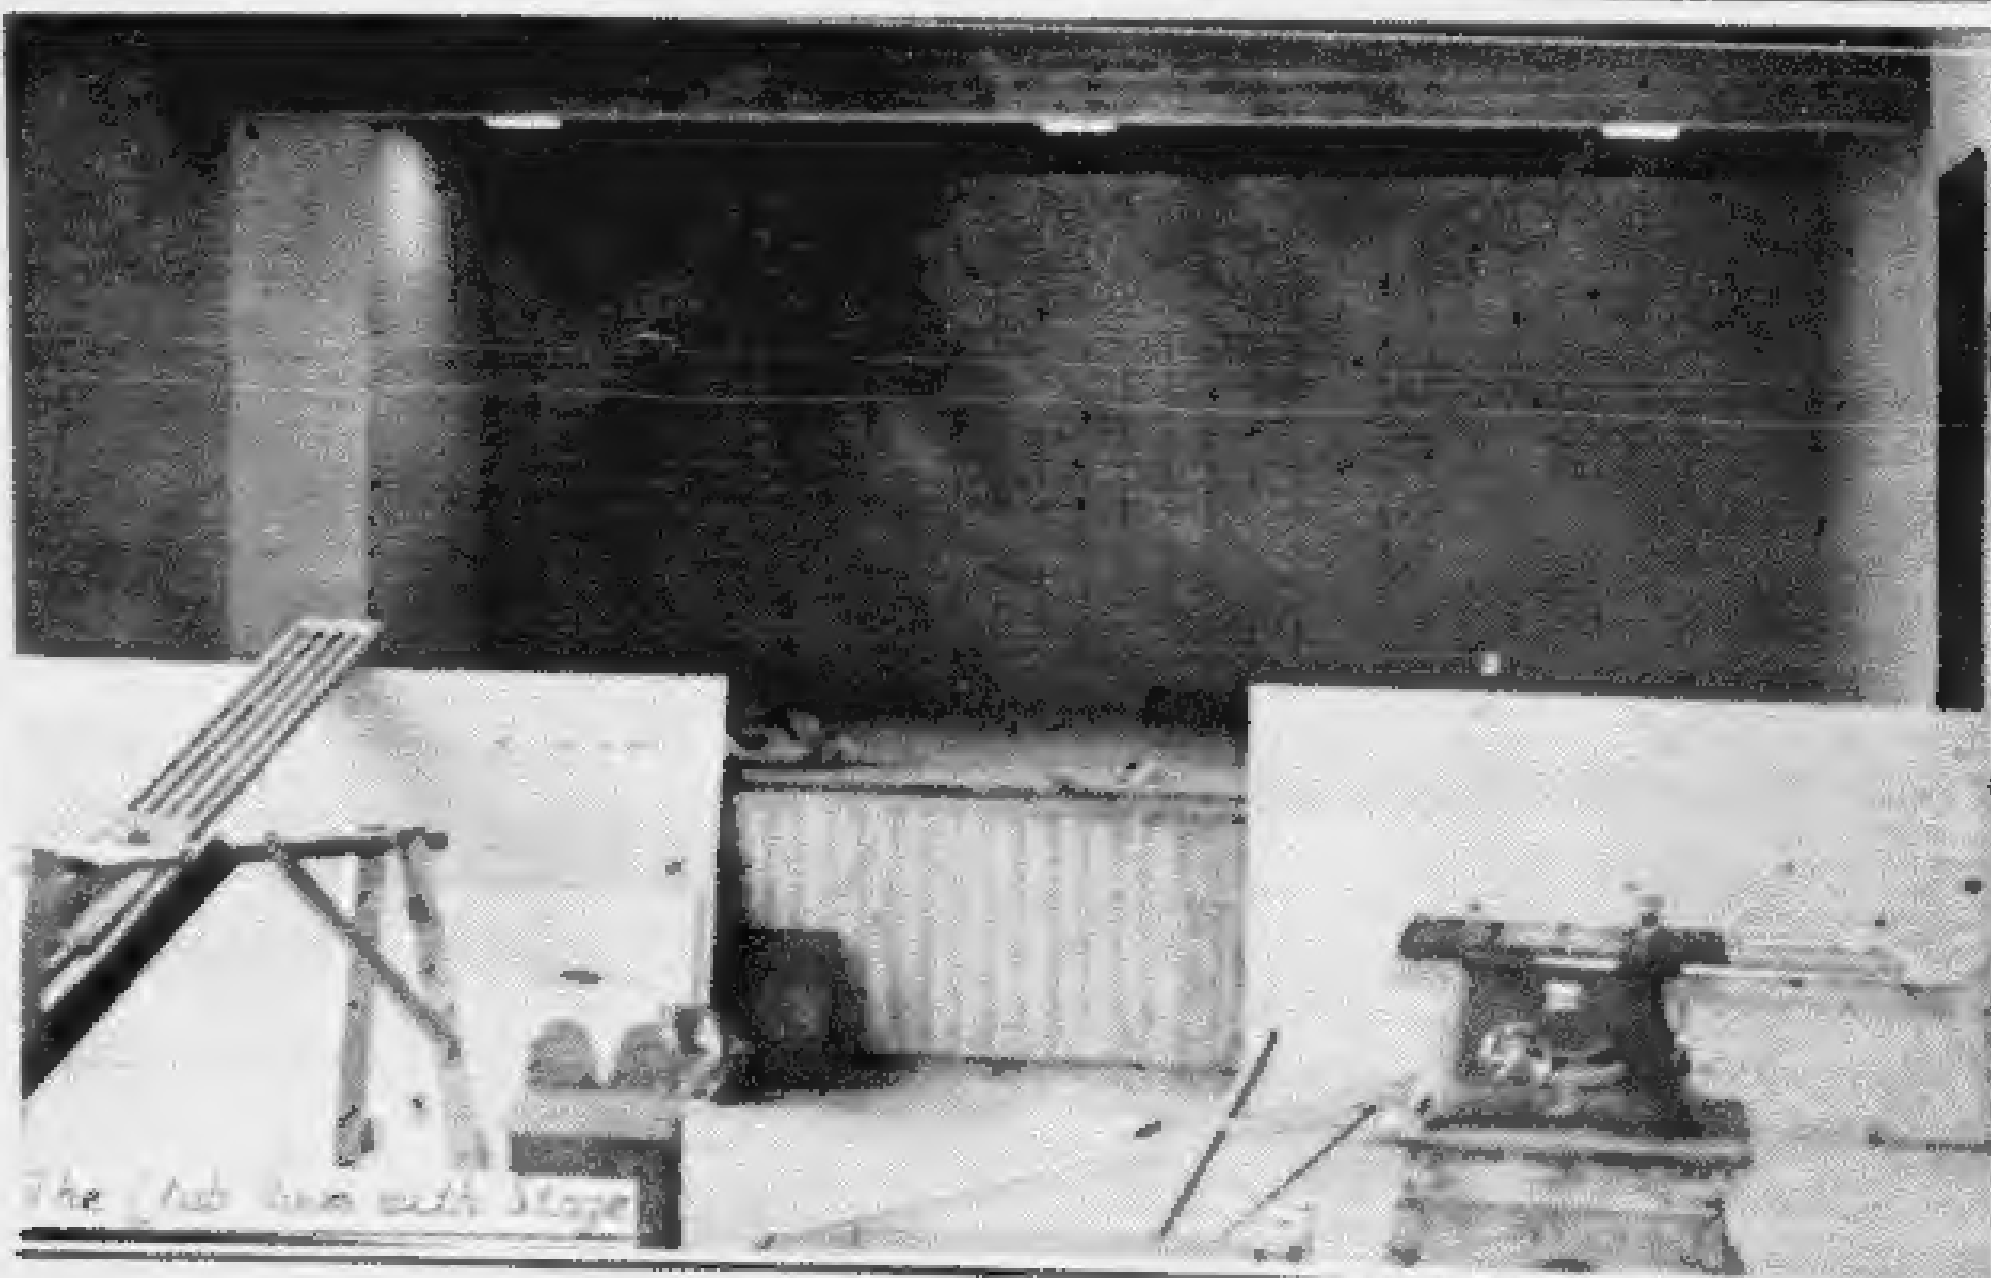

The new clubhouse, our first recreation building which is located on Grenfell Avenue, is nearly ready to open its doors. This \$35,000. building which was built with the \$22,000. Recreation Grant, seems to be in trouble even before it has been used. Our Recreation Board which was never consulted about the plans is quite upset about the facilities which in their eyes are not suitable as a clubhouse for more than one club at a time. The building has one big room with a stage. This room can be divided into two with a wooden panel, but it is doubtful if this panel is sufficient to stop noises. A clubbuilding of this size and cost should have had at least four real clubrooms, with solid walls. Mr. James Kehoe, a member of the Recreation Board, called the building a "theatrical monster".

The New Club House

We visited the new building to take some pictures. We must admit that the main room is very attractive, with a roomy hall beside it and a nice stage. But we agree with the Recreation Board that if this building is to be used by different clubs, many problems will arise pretty soon. We also don't understand why we must have a stage using up much of the available space when

continued on page 8

The Club Room with Stage

At the five o'clock Mass on Holy Thursday, a group of children attended to receive their First Holy Communion, accompanied by their parents. Rev. Father Chevrier spoke to them, explaining the ceremony of the First Holy Thursday which we repeat in His name.

The Parish wishes to acknowledge and thank the Adult Mixed Choir, directed by Mr. J. Hermans, who attended and sang at all the ceremonies of the Holy week. Our sincere sympathy to Mrs. M. Vaugois on the death of her father, Mr. Joseph St. Martin, a pioneer of Legal, Alberta.

UNITED CHURCH

On Easter Sunday, the Hi-C attended a sunrise service and then shared a Pancake Breakfast at the Rogers' residence, 18 Birch Drive. The Hi-C is a youth group for High School students and is assisted by Mr. & Mrs. Bob Myrthue and Mr. & Mrs. Bob Logan. An Easter Service for the Church School was conducted by Dr. Schwarz at 9:30 a.m. and the regular service was at 11 a.m.

On Sunday, April 25, the congregation will have its Anniversary Service at 11 a.m. Special recognition will be given to the founders and early workers in the congregation. Mrs. E. G. Hole will be at the organ. The service will be conducted by Dr. Schwarz assisted by Mr. Hal Gambell, candidate for the Ministry from St. Albert United Church. A Pot Luck Lunch will be held in the Lower Hall of the church.

A busy week will be experienced by the congregation:

Monday, Apr. 26 Tiny-Tot Parent-Teacher Meeting 8:45 - 10 p.m. Guest speaker, Miss Monroe, case worker for Edmonton Family Service Bureau, on the topic, "Behaviour Patterns and Problems of the Pre-School Child". Coffee and discussion will follow. All interested are invited.

Tues., Apr. 27 Explorers, Stewards, Session, Official Board.

Wed. 28 Apr. UOW Braeside Unit will meet 29 Balmoral Drive at 8:15 p.m.

Thurs. Apr. 29 UOW Grandin Park Unit will meet in the Church to prepare for the Desert Bazaar. Choir Practice.

Friday, Apr. 30 UOW Desert Bazaar will be in the Church Lower Hall. Everyone welcome to attend.

Sunday, May 2 Church School, Nursery, Tiny Tots, Morning Service. A special Congregational Meeting will be held following the service. The regular Sunday Communion service will follow the meeting. Evening Service at 7:30 p.m. This is the last of the season. Topic: "The

we have 5 gymnasiums in our town which could be used if necessary. One cannot blame the architect who worked on plans approved by council, but why didn't council consult the Recreation Board? We know Council didn't have much time to decide how to spend this \$22,000. Recreation Grant (which had been available for 5 years), but this is no excuse for not consulting a body which has been set up specially to advise on recreational facilities and activities in our town. Mr. Andre Gate, former Recreation Superintendent, was shown the plans and asked for comment after Council had approved them! Council shouldn't come now to the Recreation Board to ask them to manage this building, as they had no say in the planning of it. If Council doesn't want to give the Recreation Board their proper authority in recreational affairs, why have this Board? It is time that this unpleasant and unhealthy situation is settled, the sooner the better. Mistakes like this could easily have been avoided, and there was no good reason for it whatsoever!

MR. JAN MAANDAG, OUR NEW TOWN ENGINEER

Mr. Jan Maandag our new town engineer, was born in Holland where he graduated in Engineering from the Hague. He came to Saskatchewan 10 years ago where he wrote his professional papers for a Canadian engineer.

Mr. Maandag sees one of his duties as to improve the public relations and to try to communicate with the townspeople.

He feels that many of the problems are caused by misunderstandings. "The town people should understand for what we stand," and he sincerely hopes that he will receive the full support and co-operation from all of us. "I am hired to help the people as much as I can and I am prepared to do so. Of course,

there is a money limit because we must keep the mill rate as low as possible, but with good understanding, much can be done." He praised the setup of our town and believes that he can work very well with it. The planning is done very well. "Technical problems in our town," he continued, "are basically the same as in other towns, but in comparison with other towns, we can be proud of our wonderful roads which are really progressive. Private or town development doesn't matter to him as long as the town has the control. He realizes that if a town doesn't have enough financial power, private development should take over, but under the control of the town. Mr. Maandag has bought a house at 59 Grosvenor Blvd. and is expecting his wife Muriel, who was born in Drinkwater Sask. and their children, aged 2 and 3 years, to arrive before Easter.

LIONS LADIES

The first regular meeting of the Lions Ladies was held March 22 at the home of Mrs. Leon Letourneau. At this time an executive was voted in as follows: president - Mrs. Francis Letourneau, 1st vice president - Mrs. Eileen Proudfoot, secretary - Mrs. Joan Webber, treasurer - Mrs. Simone Bouchard, program - Mrs. Dolores Kambouroff, Shirley Van Hout, Sheila Willis, Terry LeBlond, membership - Mrs. Shirley Neeser, hostess - Mrs. Audrey Gillis.

The executive then met March 29 at the home of Mrs. Simone Bouchard to draw up a constitution which will be read at the next regular meeting April 26. At that time it will be subject to revision and general acceptance. An official name for the club will also be chosen at this meeting. The main interest at present is focussed on preparation for the coming Lions' Convention in Edmonton. An open invitation stands for all the wives of the Lions' Club to join - a warm welcome.

CLUB NOTES

The Chi Chapter, Beta Sigma Phi met Wednesday April 14th at the home of Mrs. V. Jones, 16 Grandora Crescent, for a very interesting evening. Mrs. V. Ratchinsky invited Mr. and Mrs. Kurt Lang of Kurt's Beauty Salon, Edmonton to display wigs and hair pieces, custom made at his salon. Mr. Lang explained how the hair pieces are made and dyed to match the individual's hair coloring. Mrs. Ratchinsky was named "Girl of the Year", inasmuch as she was instrumental in forming St. Albert's Chapter, and contributed greatly to its success. They are very pleased to welcome seven new pledges.

The next meeting of the St. Albert Women Institute will be held Tuesday, April 27 at the home of Mrs. Blair, 19 Mission Avenue. Roll Call "Exchange of Perennial Plants (when ready)".

FOR TEENS BY TEENS

The A.Y.P.A. are having a Bowling Party at Grandin Bowling, Grandin Shoppers Park, Sunday, the 25th of April at 7:30 p.m. Members are cordially invited to attend and bring a friend.

COMING EVENTS

The United Church women are holding a Dessert Bazaar on April 30, 7:30 p.m. at St. Albert United Church, Lower Hall. Admission 50c. All are welcome.

BUTLER - PERRY

On Friday evening April 9th at 7 p.m., Barbara Ellen, daughter of Mr. & Mrs. Donald S. Perry of St. Albert, and Patrick Susael, son of Mr. & Mrs. Roy Butler of Rochester, Minnesota, were married in Robertson's United Church, Edmonton, with Dr. Elliot officiating. For the occasion, arrangements of pink carnations and white snapdragons decorated the altar.

The bride, given in marriage by her father, wore a full length gown of white peau-de-sole in fitted lines featuring an Empire waistline with lace overskirt. Her shoulder length net illusion veil fell from her headpiece of a single

rose. She carried a cascade bouquet of red roses.

Bridesmaids were Miss Darlene Young and Miss Mildred Burton. They wore identical floor length sleeveless gowns in Royal blue with Empire waistlines. Their veils were of blue net, attached to floral head dresses, each carrying white sweetheart roses with blue streamers. Mr. Barry McMahon served as best man for the groom, with Kenneth W. Perry and Denis as ushers.

At the Perry residence a reception was held for family and friends. Mrs. Perry received in a beige dress with matching coat, and chose oyster colored roses as her corsage. Mrs. Butler, mother of the groom, wore a navy blue ensemble and a corsage of pink roses. A buffet style luncheon was served to the many guests. Mr. Butler is a graduate Landscaping Architect of the University of Iowa, presently employed in the Parks Department of the City of Edmonton. Mr. & Mrs. Butler will reside in Edmonton.

HELP YOUR NEIGHBOR!

"HELP YOUR NEIGHBOR" for emergency assistance, call 599-6601 (Town Hall). It is well known that neighbors in our town are very helpful in time of emergencies. Acts of friendliness when most needed are seldom forgotten and always appreciated. In order to promote assistance in such a way as to miss no one, a "Help Your Neighbor" group was formed, and held their first meeting April 8, while the attendance at this initial meeting was very limited, the plan to organize took place. Mrs. June Leggett is co-ordinator. Team Captains of each district are as follows:

Mission Park	Mrs. Kay Krupa
Brasside	Mrs. Brenda Parkes
Sturgeon Hts.	Mrs. Alice Lockhart
	Mrs. Bertha Chamney
Grandin Park	Mrs. Marian Sim
	Mrs. Gladys Sim
	Mrs. Marina Vettergreen

Who knows when an emergency will arise, or who will be calling for help? Perhaps one day you may be taken suddenly ill, or a member of your family - call 599-6601. The call will be relayed and within a few moments a volunteer within your district will be at your door, offering help in a neighborly way. One may be suddenly ordered to bed without someone to care for the children, or called away without notice. These are just a few examples of what this group is willing to do. The more volunteers there are, the less each will have to do. Your turn might just be a few hours in every six months. Should you care to join, call June Leggett at 599-7475. Remember, a friend in need is a friend indeed.

FETE au VILLAGE

VILLAGE FESTIVAL

LEGAL, ALBERTA

Concours Chanson: Fête au Village: Theme Song Contest

1. Chanson Thème pour la "Fête au Village" tenue à Legal, Alta. chaque année.
2. Que Faire: Chanson avec mélodie qui décrit la vie d'un village albertain où la gaieté, la joie, le travail marquent les habitants jeunes et vieux.
Les paroles devraient être dans les deux langues: Les deux pour la même mélodie. Les paroles peuvent être appliquées à un air connu.
3. Qui peut participer? Toutes personnes excepté les Organisateurs de la "Fête au Village" et les Juges du concours.
4. Prix: \$50.00 sera donnée à la personne qui aura composé la meilleure chanson.
5. Juges: Les entrées seront jugées sur l'originalité, le rythme, l'enthousiasme des paroles et mélodie.
La décision des juges est finale. Aucune correspondance sera entretenue.
6. Temps: Les entrées doivent être envoyées à "Fête au Village", C.P. 90 Legal Alta. pour le 15 mai, 1965.
7. Le gagnant sera notifié 30 jours après la fermeture du Concours. Toute les entrées deviennent la propriété de la "Fête au Village". Aucune sera retournée.

Theme song contest: Fête au Village: Village Festival

1. Theme song for the Annual Village Festival known as "Fête au Village", held at Legal, Alberta.
2. What to do? A song with appropriate melody depicting the life of a typical Alberta Village, where gaiety, fun, work is pulsating through the veins of young and old. The lyrics should be in both languages; French and English. Both to be used in the same melody.
3. Who can enter? All persons except the organizers of the "Fête au Village" of Legal and the Contest Judges.
4. Prize: A \$50.00 prize will be given or sent to the person whose song will be chosen.
5. Judging: Entries will be judged on the originality, enthusiasm, rhythm, of the words and melody. Decision of the Judges is final. No correspondence will be entered into.
6. Time: Entries must be sent to "Fête au Village", Box 90, Legal, Alberta. Closing date: May 15, 1965.
7. Notifying Winner: Winner will be notified approximately 30 days after close of contest. All entries become the Property of the "Fête au Village", and may be used in any manner. None will be returned.

Mail entries to Rev. Fr. G. H. Primeau, Legal, Alta.

YOUR LAWN NEEDS STEADY CARE

By R. Gale, Parks Supt.

At this time of the year the question arises whether to keep our lawns green throughout the summer, or let them go into dormancy, turn brown, and give the weeds a free hand.

The lawn is one of the first parts of the garden to come alive in the spring; many home owners are pleasantly surprised to see a carpet of turf in early spring and sadly disappointed when it fades into a weedy "nothing" later in the season. The wise and informed gardener knows that by doing the right thing to his lawn early enough, not allowing himself to be blinded by early lushness, he has an excellent chance of maintaining a good lawn throughout summer and fall.

Before you touch the mower, however, check the surface of the lawn to be sure it is uniform. If there are low spots the mower will not cut the grass low enough; such hollows show up a different color as you look along the surface, also the mower is sure to scalp high spots so that they too spoil the uniformity of the turf. Now is the time to get the lawn ready for a uniform mowing job.

Fill the low spots with screened compost and rake level. Roll lightly and water to firm the soil before reseeding. Don't attempt to press down high spots with a roller, as this will compact the soil too much. Instead remove the sod with a spade (leave 1½ inch thick), dig out the spot as necessary and replace the sod which should come level with the rest of the grass. Brush some screened compost into any irregularities, roll and water. If grayish dead spots show up when new growth starts, it could be snow mould infection.

St. Albert Hosts Provincial Bridge Tournaments

Third Alberta Pioneer Bridge Tournament
Bridge players from all over Alberta will participate in the Third Alberta Pioneer Bridge Tournament which will be held Friday, April 30 and Saturday, May 1 in the St. Albert Community Hall. Friday will see the Men's and Women's Pairs Championships starting at 7:30 p.m., and Saturday the Open Pairs Championships in two sessions, starting at 1 p.m. and 6:30 p.m. This popular tournament is sponsored by the St. Albert Bridge Club for the third consecutive year, and many players from the province will test their bridge skills.

Director will be Mrs. Marion Quale from the Edmonton Bridge Club "Team of Four"

assisted by Mr. Wim Metelenbos of the St. Albert Bridge Club. For any information call 599-7187.

Club Challenge Bridge Tournament

The first Bridge Challenge Tournament in Edmonton and District between three bridge clubs will be held this Sunday, April 25th in the St. Albert Community Hall. The game will be between 3 bridge clubs - the Edmonton "Team of Four", the Edmonton 700 Wing, and the St. Albert Bridge Club. Eighty-four bridge players will fight for the honor of their club and also for the Overall Winning Pair Trophy. The game will start at 1 p.m. Anyone interested in bridge can attend as a spectator.

Amazing Junior Soccer Activities

Team Registration This Week

Despite organizational troubles in the Senior Soccer League, the Edmonton and District Minor Soccer Association expect a very good 1965 season. The new executive of the E.D.M.S.A. has set up a very progressive programme which will include the participation of all school soccer teams in the 1965 Junior Soccer League. Coaches, trainers, etc. of all Junior Soccer teams in Edmonton and District are urged to register their teams this week by writing to the secretary of the E.D.M.S.A., Mr. Ted Jones, 96 Gordon Crescent or by phoning 599-6201.

Many Junior Soccer teams have already registered and an increase of 50% over last year's enrolment is expected. The preparations of the teams for this 1965 season have been much more intense than in previous years. Hundreds of Junior Soccer players in Edmonton and District have already had their winter indoor

practice or have followed physical conditioning training with athletic or gymnastic clubs.

The standard of Junior Soccer in our area is increasing rapidly. Last year saw one Edmonton & District PeeWee Soccer Team from the St. Albert Hercules Sports Association, playing in the provincial finals in Calgary. This year Bantam, Midget and Juvenile teams will also be in provincial games.

The executive of the E.D.M.S.A. feel that soccer can grow only if it is started from the bottom with juniors from the ages of 8 up to 18. Co-operation with school sports leaders and other sports clubs is improving and soccer is becoming more popular with the youngsters. This world wide sport is not expensive meaning that boys from all social levels can participate.

For more information regarding the 1965 Edmonton & District Junior Soccer League phone Ted, 599-6201.

YOUR LAWN

continued from page 13

Rake off dead grass and treat with a reliable turf fungicide, (not to kill snow mould, but because conditions favorable to fungous diseases exist). If roots were not killed the grass may come back without reseeding. If no signs of growth are evident within two weeks, rake up bare spots, even better, replace by new loam and reseed.

Several specific fungicides are now available for lawns. Time and frequency of application are most important. Theoretically, fungicides should be applied before infection, they mostly prevent diseases. Also it may be necessary to repeat applications several times. New machines are now available to remove the thatch from established lawns. Thatch is the partially or totally undecomposed clippings and leaves that form a mat on the surface of the soil. This thatch mat is an ideal breeding and growing place for insects and diseases.

The "musts" on the spring lawn agenda are: Feeding, Watering, Weed Killing, and Mowing. Starting with fertilizing: three times a year, is best for most lawns -- early spring, June, and the end of August.

The three foods used in largest quantities by plants are Nitrogen (N), Phosphorus (P), and Potash (K). The percentage of each is always listed on the package in the same order: N., P., K.

Nitrogen: Necessary for new cell formation in all plant parts, stimulates growth of stems, leaves. Usually more lacking than other nutrients.

Phosphorus: Strengthens stems, roots. Stimulates root shortage; increases fruit seed production.

Potash: Increases disease resistance, stimulates growth of roots. Needed for good flower color.

Most common source of these plant foods are commercial fertilizers. They are an excellent means of getting garden results quickly when soil deficiencies have caused prior failures.

The amount to use is calculated in units of 1000 square feet. The idea is to provide one pound of actual nitrogen for every such unit. If you use a 10 - 6 - 4 formula, the "10" means 10 per cent nitrogen, so that 10 pounds of that fertilizer will supply one pound of nitrogen and so on for 6 and 4. Even coverage is essential to avoid a spotty look. Hand scattering will work on small areas, but is tedious for
